# Presidents Report:

People looking back at the 2010 season may well look at the senior football ladder and say how poor the Eagles results were, but what they won't see are the foundations that the club have set in place off the field this season, that will be the dawn of a new era at the Western Eagles Football Netball Club.

The hard work and support for the club was no more evident than on the day of the semi final at Irrewarra when a fantastic turn out of help catered for one of the largest crowds the CDFNL has seen. I then realised that we are doing the right thing and going down the right path.

The support we have received has also come from other clubs in the league, the CDFNL board and the local community but mainly from within the Eagles family.

As I have said in the past, the perceived success of football clubs is judged on the results of its senior football team and has nothing to do with the another 9 teams that compete each week or the young people that they foster and nurture or the clubs overall importance to the district that they are entrenched in.

The current future of our club looks as bright at the moment as it ever has. We have a strong, energetic and hard working committee and also great support from the clubs members and the local community. Once again local businesses have pledged their support and we look forward to ongoing relationships with our wonderful sponsors and cattle club group.

I would like to thank each person for their work throughout the year: the coaches, team managers, umpires, officials, trainers and general helpers for their efforts on a weekly basis.

There are a few people that deserve a special thanks for there contribution throughout the last 12 months. They are Paul Boyd, Johnny Sherman, Maree Monahan, Fran McMillan, Jenny Fish, Lynne Uwland, Jo McNamara, Silvana Sherman, and Lynne Atkinson, the grounds committee, the football and netball committees as well as everyone who helped out over the last 12 months.

Once again thank you all again for your help and support over the last 12 months and go Eagles in 2011.

Andrew Mallon

# **NETBALL PRESIDENT**

**~Frances Bowen~**

Another good year for our netballers. With three teams making finals a big thanks goes to all coaches, umpires and scorers, timekeepers and supporters.

This year we have played a lot of young players up in higher grades which has proven a success. All looks great for future teams, with success also in our junior grades.

Big thanks to my committee Sharon, Jenny and Cathy and to Karen Slater for umpires, etc. and being my backboard.

Bring it on next season.

Fran Bowen.

## **A WORD FROM THE MONEY MAKERS:**

Through the efforts of many people, the Money Makers has enjoyed a successful 2010.

Our thanks must go to those people who take on the roles of responsibility that allow our club to function each week.

Lynne Umland and Jenny Fish for organising the canteen. Maree Monahan for her catering skills. John Sherman's tireless efforts with the bar. Nicky and Louie McNamara and Kirsty Smallman for organising social club functions.

The people mentioned above have been ably supported by you, the club members who contribute to the canteen and support the club functions.

Your efforts have resulted in the completed refurbishment of the kitchen, and the ongoing support of the club.

Our finals catering on Sunday 29<sup>th</sup> August was testament to our club spirit, with the contribution of so many members and supporters.

The day was absolutely 'flat out', and I felt pride in our club as we worked together to provide the league with a day that ran very smoothly.

Thank-you and well done to you all.

Danilla Kavenagh

**W.E.F.N.C. (Football) Annual General Meeting**  
**Tuesday 9<sup>th</sup> November, 2010.**  
**8pm at the Clubrooms**

Without a doubt, one of the strengths of this club remains the committed, dedicated hard working number of people willing to give freely of their time to the cause. There are numerous tasks associated with a club – the magnitude that is not realized until one puts their hand up to take on the role of committee member. Yes we all see the players take the field or court at match time, but do we appreciate the work done by those involved in financial management, league administration, ordering of food, drinks & merchandise, grounds maintenance, team management, medical staff etc. that actually enables players to take the field???? These responsibilities are not hard and can be very rewarding.

It is vital for every player, member, parent and supporter to get behind our club and be at this meeting. Have a really serious think about putting your hand up and taking on an official role within the club. It really isn't that hard.....

Thank you to everyone who helped make this years "Titpullers Hoot n Nanny" the event that it was~ members, friends, local services, Colac Police, netballers and footballers (you know who you are).

This event does not 'just happen' – many, many people work together to piece together what is a huge effort.

Plans are already in progress for next year's event so contact Silv and get involved. Let's spread the workload and make life just a little easier for each other.....

# **SEASON 2010 – COACHES REPORTS:**

## **SENIOR FOOTBALL:**

Season 2010 has finally come to an end!

Although it was a disappointing & unsuccessful year on the track, the same cannot be said for off the track.

Many positives can be drawn from the season that was!

Certainly improvement was seen as comradery was developed on & off the field. Many new friendships were made & some old ones renewed.

Generally every player enjoyed their footy.

But the time as now come for every footballer to stand up & be counted.

Make a commitment to the club, your coach, your teammates & yourself to strive to be the best you can be.

Training is an important factor of playing footy. You play how you train—so let's all get to training boys in preseason & be a powerhouse in 2011.

There are too many thank yous to name them all, but I would like to thank the committee for all the support they have given me throughout the year & the opportunity to coach the Western Eagles.

I would also like to thank Fras for the great assistance he has given me & to Fran for her help throughout the season.

To the trainers who do a lot of work behind the scenes to get the players on the ground & to everyone who helped on match day.

You are all integral parts of the footy club.

To the loyal sponsors & supporters who stick by us through thick & thin--- I thank you!

And lastly to the players—thank you for your support, loyalty & mateship--you are important members of our club & I hope to see you all back in 2011.

## **RESERVES FOOTBALL:**

Season 2010 was an interesting year for the Reserves. I won't forget the first game at Simpson, walking into the room and seeing eleven players and thinking this could be a long season. As each week passed we improved and picked up players. We had approx. 10 players join our club and team. Injuries in the later games made it a bit hard for us but, thanks to some U/17's and the odd older guy we still fielded a full team. Over the season we showed great improvement as individuals and as a team. We finally had a good win against Forest and just missed out at Apollo Bay. The players were fantastic in their efforts at every contest and were prepared to listen and learn from what was said to them. I enjoyed this year very much with a great bunch of guys.

Well done boys.  
GO EAGLES

## **UNDER 17'S FOOTBALL:**

As my first year as u/17 coach at my old junior club I had some big shoes to fill from my old coach, who had taken us too many grand finals. My one aim for the year was to help rebuild the club at a junior level and prove to the league that we were here to stay. Our pre season started well with good numbers to training and our trainings were hard. As the season was almost about to begin our numbers dropped by 8 to other clubs. We started the season under manned with only 16 on the field, which was made up with u/14's, this began the trend for the year. With only having 12 u/17 players we only managed to win two games for the year, with many games slipping through our fingers. The group of boys/ men that I had as a playing group battled every week and gave 100% and was a credit to them for fronting up every week and representing the club. To the guys that are moving to senior footy next year, I wish you all the best and to the guys that are moving up to u/17 footy, our aim for next year is to continue to rebuild and with next's years playing group, I feel that we will only continue to get stronger and improve on this year.

I hope that everyone continues at the club, as we now have the right people in place to move forward and it will take hard work, but the end reward will be well worth it.

I would like to thank the board for giving me the chance to take on this job and having the faith in me to help them rebuild the club. I would also thank Fran for making my job easy, by just letting me coach and doing all the back of house stuff, it certainly makes stepping in to a new role easy and without these kind of people at the club we simply wouldn't exist. To all the umpires, waterboys, trainers and everyone else that helps out during the year a big thank you to you too.

And also a big thank you to all the u/14 boys that come out to help us field a side after already giving 100% in their game before. And last to all the u/17 boys that made my job that much easier, by making it fun to coach.

Thanks for the year.

## **UNDER 14 & ½ FOOTBALL:**

The beginning of the season saw the make up of the under 14 ½ team change with a few old faces moving up to the under 17's and a new group coming in. The new group of 10 younger boys played some great games throughout the year and with most of them going to school together the future of the team looks great.

Overall the team had a good year winning 5 games for the year and being very competitive in all but 1 game for the season.

Congratulations to Trent O'Dwyer on winning the best and fairest this year. Trent missed four games in the middle of the year with injury but came back to finish the year and play some great footy.

Josh Mooney was very consistent and reliable throughout the year and his attack on the ball was always great and his turning defence into attack was fantastic, he was very deserving of his runners up.

James Beasley wins most determined honour. The way he goes at the ball and throws himself at every contest is fantastic. He was also third in the best and fairest.

Rylie Thompson wins best first year player. Rylie continually puts his body over the ball and always gives 100 percent.

Congratulations to all players who took to the field in 2010 and we look forward to building a strong and talented team in 2011.

## **WESTERN EAGLES FOOTBALL RESPORT: GRAND FINAL EDITION:**

Western Eagles Football report Grand Final edition

Welcome to the Grand Final Edition of the 2010 Football season.

Although it has been a disappointing & unsuccessful season for the Western Eagles in 2010, we are very optimistic about the future to come.

We are still in a rebuilding phase and are moving forward with enthusiasm to create a competitive, successful & friendly environment to be associated with.

With a core group of talented young players to move up to the senior ranks to join our existing players for 2011 we are confident of fielding competitive sides for 2011.

Combine that with a young group of enthusiastic & loyal juniors to develop to help maintain the future of the club.

2010 was a year of many milestones to record.

Ken Hay            300 Open Age Games

Tony McLachlan 200 Senior Games

Darren Frith     150 Open Age Games

Jacob Nicholson 100 Senior Games

Nick Kennedy     50 Under 17 Games

Shaun Ackerley   50 Under 17 Games

Matt Kenny        50 Under 17 Games

We also celebrated 2 Spirit of Sport Awards in the Under 17's in Brennen Convery-Oberne & Hamish Gleeson.

### **A GRADE NETBALL:**

**Coach:** Jenny Fish **Team Manager:** Deanna Mooney

In A Grade this year we finished just outside the 5 again. Although we only had the bare 7 players all year, we were very lucky to be injury free and very lucky to have lots to pick from in other grades who were always willing to sit on the bench.

Carly, Maddi and Eve stepped up to A Grade this year. Myself, Racheal and Laura remained from the previous season and Kirsty was a welcome return. Dannielle Bowen also made her A Grade debut playing under 17's as well.

In the end we beat all the teams below us and lost to all the teams above. Our game of the season was against Simpson where we lost by two goals and it gave us a glimpse of what we could do.

We were the best of the rest.

Thanks for the year,  
Jenny.

**2010 A Grade Best and Fairest:** Jenny Fish

**Coaches Award:** Eve Ellemor

### **B GRADE NETBALL:**

**Coach:** Kessima Duynhoven & Lorraine Mahoney

**Team Manager:** Tanya Mallon

The B Grade team had a very successful year during the home and away season.

After only dropping 3 games during the year we cemented our spot in 2<sup>nd</sup>. The B Grade competition was so competitive this season, that the final three positions on the ladder weren't decided until the final round.

Unfortunately our finals campaign wasn't very successful, we went out in straight sets. Bugger it!!

As first time coaches the year was a massive learning curve, one that was very successful but still had it's challenges.

We would like to thank all the girls who contributed to our teams success. Without their commitment to training and effort on game day, we wouldn't have gotten as far as we did.

Congratulations to Kess for coming 3<sup>rd</sup> in the league Best & Fairest. A fantastic effort.

A huge thankyou to our team manager Tanya Mallon for all her hard work throughout the season, it made our job so much easier. Her organisation and support were invaluable.

And lastly we would like to thank each other and our families for all their support.

Looking forward to being part of the Western Eagles Football/Netball club in 2011.

GO EAGLES!

### **C GRADE NETBALL:**

**Coach:** Francis Bowen    **Team Manager:** Sharon Reidy

Well we had another good year and C Grade. A couple of glitches at the start didn't stop my girls from stepping up again. Big thanks Carla McKenzie, Aneeka McNamara and Sarah Anderson for coming up and helping us when we were short.

To my girls, be extremely proud of yourselves. From the mixture we had at the start of the year to the way you were all playing at the end. WOW! From Sharney, Bonnie and Kobi from previous years, to Tammy, Maggie, Mandy, Grace, Pip and Chloe you have all shown amazing improvement and great team spirit.

Many thanks again to my team manager Sharon Reidy

Hope you all had fun girls, the pleasure was once again all mine.

You're all champions.

Fran.

### **UNDER 17's NETBALL:**

**Coach:** Sharney Bowen   **Team Manager:** Kerrin Turner

2010 was a busy year for our 17 & Under netball team. After a year filled with laughter, injuries and new players, we scraped into the final 5 thanks to an awesome final round win over Apollo Bay. The girls continued this top form, going down by just one goal in the final seconds of our elimination final clash with South Colac- we all gave 100% and every one of the girls should be immensely proud of our team's success this year! A huge thankyou goes to Kerrin, my team manager and my sanity, Kelly, my assistant coach and my rock, Karen and my mum Fran- my mentors, thankyou all so much for your help throughout the year! And finally, lots of love and pride goes to my girls- a huge, fun-filled and dramatic year, and I've never been prouder of every one of you!

GO EAGLES!! :)

Sharney Bowen.

## **UNDER 15's NETBALL:**

**Coach:** Nicky McNamara **Team Manager:** Maggie McKenzie

Congratulations to all the special award winners on a terrific season! Thank you to Mels and the Western Eagles Football Netball Club committees for their dedication and hard work. This year the Under 15 netball team experienced my challenges and enjoyed many celebrations. We started the year as a group who had not played together before. It took several games to settle in our goal, defence and midcourt combinations. With players exiting our team and with several injuries, we were forced to improvise with these combinations. Towards the end of the season, there were many games where we needed players. Thank you to the under 13 girls, Jessica, Rahni, Tahlia, Chloe, Ebony and Zoe, who played in these games. In a strong competition of netball we finished 7<sup>th</sup> on the ladder, winning 6 games for the season. Thank you to all the umpires, trainers, parents and families for their support at training and on game days. I would like to commend the girls on how they went about their netball this year. Coaching is a very difficult job and they accepted and acted on any advice given to them. Thanks for your commitment to a team and positive attitude to improve. You all have a long future of netball ahead of you and I hope to see you around the club for many years to come. Lastly, thank you to Maggie McKenzie (team manager) for her support. Thanks for your reassurance and most of all your patience on game days. Go Eagles!

## **UNDER 13's NETBALL:**

**Coach:** Karen Slater

**Team Manager:** Laura Bowen

While the girls were disappointed on losing the 1<sup>st</sup> Semi final, they can be very proud of their effort in this game and throughout the year. There was no disgrace in losing by 1 goal in a high scoring(42-41), high standard final.

On behalf of Laura Bowen (team manager) and myself I would like to thank the girls on their attention and effort both at training and on game days. To all the parents, players and siblings that helped get the court set-up ready for play each home game, fulfilled scoring, timekeeping, and scoreboard duties, thank you for helping get the day off to a smooth start.

This year we had 6 girls represent us in the 13/U Colac Squad Teams participating in the Zone Academy Association Championships. Rahni Daffy, Chloe Robbins, Jessica Montano, Ebony Skinner, Zoey-Lee Robertson and Tahlia Whytcross. Well done girls.

As we had too many girls wanting to play in 13/U team we ran a team in the Colac Night netball competition. During the season 6 of the Saturday team combined with Hannah Mahoney, Olivia Robinson, Nelly Ganim-Heath, Molly Ganim-Heath and Hannah Skinner(filling in when needed) to play a fun season building skills enabling players to experience all positions on court. With all these girls taking part at training Thursday nights were very busy. Thank you also to the boys and girls who joined us at training and played in the 13/U reserve game on Saturdays when able. Maggie Sherman, Laura McGuane, Hannah Skinner, Aleisha Montano, Nelly. Molly, Hannah M, Olivia, Jesse Robbins, Taine Jeffreys and Jake Robertson.

Thank-you to Laura Bowen for your efforts as my team manager. An excellent job, well done again this year.

Congratulations to all the trophy winners.

## **NETBALL UMPIRES REPORT:**

Thank you to all the umpires who gave their time to enable us to participate in the great sport of netball. Without their efforts we would not be able to play. During the season we had 7 umpires officiate.

Louise McNamara, Catherine Moore, Sharney Bowen, Emma Reidy, Sally Montano, Sandra Farnes and Karen Slater.

Covering 6 games every week when umpires were unavailable at times, plus 2 of us coach and 2 played each week, took some juggling around.

Well done to Louise McNamara who was rewarded for her efforts with a 13/under grandfinal and Catherine Moore with a 15/under grandfinal.

Thank you all for your co-operation.

## **WESTERN EAGLES FOOTBALL NETBALL CLUB & BAKERS DELIGHT HIGH ACHIEVERS AWARD SEASON 2010:**

With the support of Bakers Delight we are delighted to again present this award to acknowledge the efforts of a member of our club. Each year it is awarded to someone who strives to demonstrate good character, sporting excellence, great work ethic, leadership qualities, club loyalty and academic achievement.

After considering the above guidelines it is with great pleasure that we announce Hamish Gleeson to be the recipient of the '2010 Bakers Delight High Achiever Award.'

Hamish as a dedicated member of the leadership group in the 17/U football team led by example as a regular contributor on and off the field this year and was rewarded with the Spirit of Sport Award in round 15. He was also selected to play a couple of senior games. He has played all his junior football with Eagles and is a loyal club member lending a hand on game day wherever possible. His polite and courteous manner make him popular with his peers as well as other club members. His leadership qualities are also recognised at Trinity College where he was appointed Sports Captain this year.

Currently in year 11 he has undertaken a school based apprenticeship in fitness/personal trainer field and currently spends 1 day a week at Bluewater Fitness centre and a half day a week at TAFE while keeping up his studies the rest of the week at school.

With awards for and representing Trinity in athletics, drama & sport and being elected class captain in years 8 & 9, representing Colac in Basketball, the trend to achieve seems to continue as he matures and develops into a fine young man that not only his parents are proud of, but also Trinity College, Bluewater Fitness Centre, Western Eagles Football Netball Club and Bakers Delight. The continuing emergence of a role model for others to follow makes Hamish a very worthy recipient of the High Achievers award for 2010.

## **SOCIAL REPORT LAST EDITORIAL 2010:**

The social calendar for 2010 proved to be a very fun & entertaining one.

The Blue & Yellow Dress Up was a great “get-to-know-you” event as we welcomed past players & friends to the Nest. Who could forget ‘Who’s got the peg?’, Ray’s bottle of wine & those two footballers who came dressed in netball lycra dresses.

Congratulations to the “Battersby Bashers” who claimed the winning prizes of our Annual Trivia Night. Once again, our social rooms were packed to the rafters with families, friends, members & players testing their general knowledge & sharing many laughs & drinks with their mates.

Our ‘Stephen Bubsy Ryan’ Memorial Casserole Tea was a feast to be had! A sincere thank you goes out to those involved throughout the day & night.

Ask Rob Montano how our Shrek Movie Night went! It was great to see so many families come together to support our club.

On Sunday 30<sup>th</sup> May everyone gathered at the Nest for our \$10 000 Draw. Congratulations to the well deserved winners -Nicko and Scotty. A special mention to Melso for getting the last few back into town safely.

A big thank you to Kirsty Smallman and the helpers/organisers of our Xmas in July.

I think all would agree our Annual Ball went off with a bang, as quoted by many “that was the best footy club ball we have ever been to”. Thanks to the entire 150 people who attended this major function. Thanks also to our trusty band “Jibberish” and to those committed members & helpers who made the night possible.

We’d like to take this opportunity to thank everyone who has helped out or supported our club functions throughout season 2010. Last but definitely not least, thank you to our Bar Man - John Sherman - for his dedication, hard work & effort you put towards the running of the bar.

Let’s all make the effort to keep in touch during the summer & we look forward to catching up with you in season 2011. Go Eagles!
